On The Box

Now you know what's in the magazine, here's what's happening on the channel!

NEW TOONS

Angela might look like any other girl, but underneath the surface she has a few special secrets of her own. She's much more interesting than the annoying Nanette Manoir, the girl everyone loves to hate, and when Angela gets angry her imagination takes over. Uh-oh, watch out Nanette!

New Episodes

Whoa, Momma, Cartoon Network roll out brand new episodes of Johnny Bravo from Tuesday 2nd May every weekday morning at 7.30am. Once more his studliness proves that when it comes to babes, he's sooo not the king! The 13 new episodes will also be shown every Saturday and Sundays in May at 11am.

Ed, Edd n Eddy Easter Special

Starting on Good Friday (21st April) and winding up Easter Monday (24th April), Cartoon Network presents an eggstra eggciting and most eggcellent weekend of fun with Ed, Edd & Eddy! With new episodes, movies and competitions, it's all eggspecially for you! See page 43 for a top competition to win Motorola Talkabout walkie-talkies!

Ed, Edd n Eddy Competition

Toon in over Easter weekend and play Scrambled Legs, our crazy, mixed-up competition! The top half of one of the Ed's has been patched together with the bottom of a totally different toon. But which one is it? Choose from the choice on screen and send your entry by post or e-mail. Watch closely now!

LOONEY TUNES WEEKENDER

What's this? An enormous ACME package, just for me? Do not open until April 29th, 30th and May 1st, or else! I'll just give it a shake. Eeek! There's something alive in there! It smells like Pepe le Pew, shakes just like Tasmanian Devil, and I can definitely hear the crunching of carrots!

To enter competitions in Cartoon Network issue 21 you need to write your answer with your name, age and address on a postcard or sealed envelope, stick on a stamp, mark it with the competition title and send it to: Cartoon Network #21, PO BOX 45, Oldham OL4 1FJ.
All entries must be received by 31st may 2000.

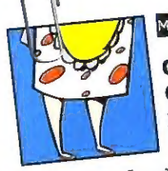
Turn to page 13 and check out what's happening at www.cartoonnetwork.co.uk!

COW and CHICKEN

COW

Chicken's sister and a 460lb Cow (Don't ask)

She idolises her big brother and loves to accompany him on his adventures, which is more than he does. She also comes in useful for keeping the family fridge stocked with milk.



MOMMA

Cow and Chicken's Mother

Momma had a chicken, momma had a cow, (like we told ya – don't ask how!) She loves her two children equally. Even though having a 460lb clumsy cow round the house is a little trying and Chicken can be a handful...

DAD

Cow and Chicken's Father

Dad is proud of his two offspring and always strives to teach them to do the right thing. Full of good advice but is not afraid of being stern when their antics sometimes get out of hand.

FLEM & EARL

Chicken's scool chums

A pair of inseparable educationally-challenged nerds. Well, how else do you explain the fact that they let Chicken be their leader and tell them what to do?!

COUSIN BONELESS

Cow and Chicken's cousin

Both look up to him, if that's possible when he's usually flat on the floor. What he lacks in backbone he makes up for in humour. But he isn't completely spineless. He's always up for a bit of an adventure and that's usually what happens when he's asked to babysit!

CHICKEN

Cow's 11 year old big brother

(We told you - don't ask!), Fancies himself as a street smart teen. Anxious to avoid being called, er, chicken, he'll take any dare he's offered. His rebellious attitude always gets him into trouble.

SUPER COW

Cow's secret identity

Cow's fearless, Spanish-speaking secret identity. She uses her tremendous weight and mighty udders to rescue her brother from whatever predicament he's gotten himself into.

RED

The horns, the tail, the attitude. It's the Red Guy!

From that hot place with the fire and brimstone. Cow and Chicken's very existence irritates him beyond belief and he'll stop at nothing to torment him. And if only he could find out who his nemesis, Super Cow, really is!

INSIDER FILES

Cow & Chicken

WIN

Yes, you lucky guys and gals, we have top prizes for you to win on this page! There are 10 sets of four mugs featuring Cow & Chicken, Super Cow, The Red Guy and Chicken up for grabs, all you have to do is complete the missing line in the Cow and Chicken theme song:

Momma had a chicken, momma had a cow.....he didn't care how!

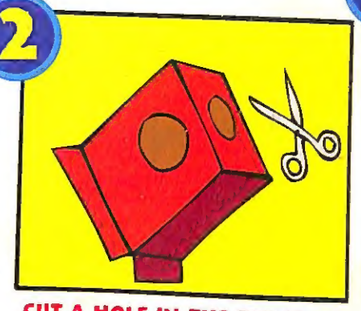
Mark your entry Mine's a Mugful of Milk! and send to the address on page 5.

I IS GONNA BE A BIG ROCK STAR THANKS TO MY HOME-MADE GEE-TAR!

OOOOO! HOW DID YOU MAKE IT, BIG BRUDDA?

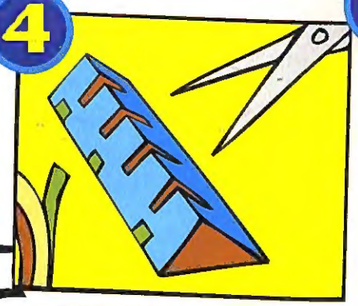
CHICKEN'S Guitar

YOU NEED: A SMALL CEREAL BOX, DIFFERENT SIZED ELASTIC BANDS, A SMALL PIECE OF CARD, A LONG KITCHEN FOIL CARDBOARD TUBE, STICKY TAPE AND A STAPLER.

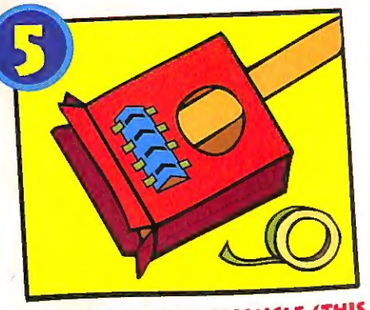


CUT A HOLE IN THE FRONT OF THE CEREAL BOX AND IN THE LID.

INSERT THE CARDBOARD TUBE THROUGH THE LID HOLE SO IT FITS INSIDE THE BOX. SECURE THE TUBE IN PLACE WITH STICKY TAPE.

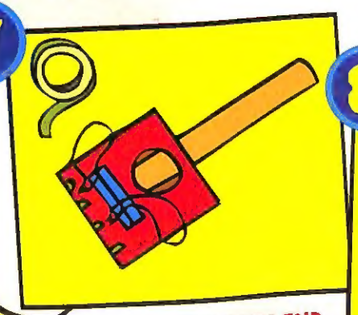


FOLD THE CARD INTO A TRIANGLE AND CUT FOUR SLOTS INTO IT.

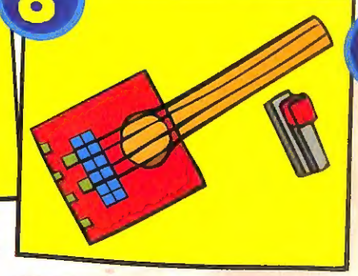


STICKY TAPE THE TRIANGLE (THIS IS THE FRET) ABOVE THE HOLE IN THE FRONT OF THE BOX.

STAPLE TWO ELASTIC BANDS BELOW THE HOLE AND STRETCH THEM UP THE LENGTH OF THE GUITAR, SO THAT THEY SLOT INTO THE RIDGES IN THE TRIANGLE, AND STAPLE THEM TO THE TOP OF THE CARDBOARD TUBE.



SEAL UP THE OPEN END OF THE CARDBOARD BOX WITH STICKY TAPE.



STRETCH THE ELASTIC BANDS UP THE LENGTH OF THE GUITAR, SO THAT THEY SLOT INTO THE RIDGES IN THE TRIANGLE, AND STAPLE THEM TO THE TOP OF THE CARDBOARD TUBE.

DECORATE YOUR GUITAR WITH PAINTS, FELT TIPS AND ANYTHING YOU CAN LAY YOUR HANDS ON! ROCK OUT!

HOW TO DRAW

THE RED GUY

I'M GOING TO SHOW YOU HOW TO DRAW ONE OF MY FAVOURITE CHARACTERS - ME! THE RED GUY!

1 step

START WITH ONE LONG EGG SHAPE, LIKE THIS. THE WIDE PART AT THE BOTTOM.

2 step

NEXT, DRAW A CURVED LINE FOR HIS NECK, TRIANGLES FOR LEGS AND OVALS FOR ARMS AND FEET.

3 step

ADD ANOTHER TWO EGG SHAPES FOR HIS NOSE AND LIP. DON'T FORGET HIS HORNS AND EYES.

4 step

GIVE HIM CURVES TO SHOW HIS STOMACH AND ADD HIS TRADEMARK TAIL.

5 step

WHEN YOU'RE HAPPY WITH WHAT YOU'VE PENCILLED, GO OVER HIS SHAPE IN INK AND RUB OUT THE PENCIL LINES.

6 step

AND IF IT DOESN'T LOOK LIKE THIS WHEN YOU'VE FINISHED, START AGAIN! AND KEEP DOING IT UNTIL YOU GET IT RIGHT - OR ELSE!!!

IF YOU DON'T PAY ATTENTION, I'LL SET THE ORTHODONTIC POLICE ON YOU!

POSES:

Body poses show you how a character feels. Why don't you try drawing these poses?

EVIL RED GUY SCARY RED GUY TERRIFYING RED GUY NASTY RED GUY

CARTOON NETWORK

www.cartoonnetwork.co.uk

We've found four very different places on the website this month: you can bop with the toons, get all the insider info, spy on Scooby or get techy with video clips!

Toon Dance
D'ya see Johnny bopping away at the bottom of your title screen? Point and click to be whisked straight to a bright blue disco, where the likes of Dee Dee, Dexter and Boo Boo Bear are jumping to the beat. Push back the chair, join in, and boogie till ya just can't boogie no more!

Character Profiles
Open the Toon A Mania filing cabinet, click on it again, and gain access to the top-secret cartoon character profiles! Each one has pictures, sounds and video clips for you to push and play, and you can even copy them to your own computer to build up a collection of your own.

Oppor-toon-ityz
Inside the Oppor-toon-ityz treasure chest is a link leading straight to a live video camera, which follows Scooby Doo and his adventures in the outside world! A new picture every 15 seconds means you can watch him eat, play, shop – or even take a stroll down your street!

AKA Clips
Behind the AKA warning sign our funky DJ is waiting to point you in the direction of some cult clips. Press the green triangle to reveal a filmstrip, then just point at the picture of the show you'd like to see. A small TV screen will appear with a mini-clip for you to watch and enjoy!

PISCES 19 FEB - 20 MARCH

Watch your pocket money this month, with the sun in the sixth house and the hole in your pocket you'll be out of luck if you have unexpected things to shell out for. You'll find yourself scratching about to make ends meet.

ARIES 21 MARCH - 19 APRIL

Recent changes have left you well down the pecking order. As a result you do not feel you are truly appreciated and your pocket money resembles chicken feed! Your motto: Never look at a gift horse without a paddle!

TAURUS 20 APR - 20 MAY

As a Taurus you share your birth sign with every other Taurean in the world. Kinda puts you in your place, doesn't it? Don't feel quite so special now, do ya? Maybe that'll teach you to cluck before you leap.

GEMINI 21 MAY - 20 JUNE

Things may get away from you over the next few weeks and you may get a roasting for it. But on the bright side, although things may get a little hot, you will foil another's scheme, but to be fair it was a half-baked idea anyway.

CANCER 21 JUNE - 22 JULY

Confusion reigns this month when you think the sky is falling. But you know what, chill out. Hang loose. If it really does fall it will be easier for you to walk about with your head in the clouds.

LEO 23 JULY - 22 AUG

Things don't look so hot for you this month. Wattle you do? Well, don't burn your bridges before they're hatched, that's for sure! You never know when you might have to count them!

VIRGO 23 AUG - 22 SEPT

Even though forthcoming events may have you spitting feathers, don't pick any fights or you'll get a right basting. Unless, of course, you're self-basting, in which case I would pull your punches if I were you!

LIBRA 23 SEPT - 22 OCT

People can be cruel but, then again, so can the sea. So don't listen to what other people say about you. You have a lot of pluck, but that doesn't mean you're not spineless - look at me! Your lucky chicken: Rhode Island Red.

SCORPIO 23 OCT - 21 NOV

You may feel a little down in the mouth around next Thursday. If that's the case, stop eating feathers. Sheesh! You can also earn yourself some extra cash by offering to babysit the TV while your parents are out. Just make sure they pay you extra if you have to change its channel!

SAGITTARIUS 22 NOV - 21 DEC

You'll be a bit limp and lifeless this month but don't let that put you off trying new things. Try not to be too good at it, after all, you don't want to put other people's noses out of joint, do you? So dip, don't dazzle.

CAPRICORN 22 DEC - 19 JAN

Hey! How come there ain't no Sign of the Chicken in this here astromonolgical chart thang? Capricorns will feel a little hard done by this month as I can't actually be bothered to do your horoscope on account of there ain't bein' no constellation of the Chicken!!! Oh yeah and your lucky seed is Millet. Whoop-dee-doo.
